

January 2019 Friends and Family test results

Additional comments from our patients this month:

I have always had a good relationship with the surgery and found them very helpful

Always friendly and do their best to fit you in for an appointment. All the medical staff are very positive and helpful.

Greetings and Smiles by all the staff and Drs

Staff, nurses, doctors all approachable, friendly and professional. Always easy to book appointments and repeat prescription on line

The receptionist was very helpful and the doctor was very understanding
