

## Port View PPG Update July 2021

The PPG is currently still unable to meet face-to-face, but Peter and I have maintained contact with Tina for surgery updates and the Umbrella Group.

The practice staff and clinicians are under considerable pressure to provide services in these difficult times. However, as the National Patient Survey shows, Port View has been able to maintain a high level of patient satisfaction.

We are finalising plans for the SaltFest. The event runs from 12:00 to 18:00 on Saturday 31<sup>st</sup> July. We'd love to see you there!

We are collaborating with Saltash Health Centre and our local Social Prescribing Service. Both practices have devised short questionnaires designed to get the views of their own patients.

Port View PPG members will be talking to patients about their experiences with the practice as well as promoting membership of the PPG.

Best wishes  
Angie and Peter  
on behalf of the PPG
